

Walgreens Prescription Savings Club Program (“Program”) is NOT Insurance. Membership fee required (\$20 individual or \$35 family per year) and must be paid at a participating Walgreens or Duane Reade store located in the United States, excluding stores in Connecticut, Massachusetts, Mississippi and Washington (each a “Provider”). Program offers Members the right to purchase specified healthcare items or services from Providers at a discounted rate. Amount of the discount may vary based on type of item/service Member purchases, but Providers will not charge the Member more than the discounted rate. The Program does not make any payments to Providers. Member is entirely responsible for paying discounted price to the Provider at time of service.
